

What is Coronavirus? What About Me?

The **Coronavirus** is a germ bug that makes people sick.

To keep our family safe, the President still says we need to stay home as much as possible. But, he is allowing some familiar activities to resume so our lives can get back to the way they were.

Some things that are happening now...

My parents are still working from home.

I can go see my doctor and dentist again.

I can go to the park to play.

I can go eat in a restaurant.

 Things I **CAN DO NOW...**

 Things that are **STILL DIFFERENT**
