

Back to School

SOCIAL STORY

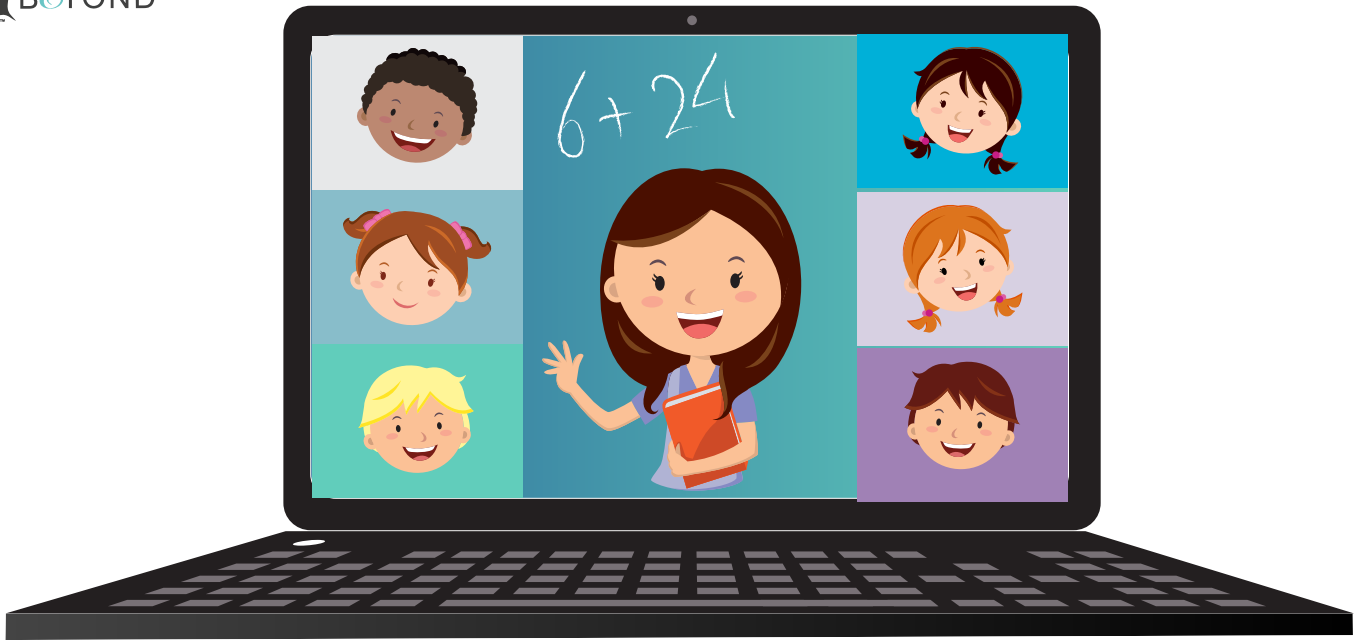

It is time to go back to school.
This may look different than it did last year. 1

Some days my teacher may be
in person. 2

Some days my teacher may
be on the computer.

3

Some days I may go to school.

4

Some days I may have school at home.

5

I might have to wear a mask to school.
This is to keep me safe.

6

I might have to wear gloves to school.
This is to keep me safe.

7

At school, I might be further away
from my friends.

8

My teacher and friends will have
on masks too.

9

$$24 + 6$$

$$6 \times 6$$

School is where I learn and make friends.
School is fun!
