

Going Back to School Things Might be Different

It is time to go back to school. School is where I learn new things and make friends. School is fun.

Because of the Coronavirus, some things may look different than they did last year.

Some things that are happening at school now...

I may have to wear a mask.

I may have to wear gloves.

School may be online sometimes.

School may be in person sometimes.

 Things I **CAN DO NOW...**

 Things that are **STILL DIFFERENT**
